## Thank you for supporting the Film Society!

Ticket sales cover only a portion of our program costs.

Your membership helps bring more diverse films to the Island and build community appreciation for films not typically found at most movie theaters.

You also receive additional benefits at the various member levels.

Occasionally the film center is used or rented by other organizations for their own events, your membership benefits do not apply to these events.

All Memberships valid for one year from the date of your enrollment.

Member cards will be mailed to the address provided.
